

Dear Valued Customer,

**New seal release procedure for Cambodia, effective from
1st February 2012**

We would like to express our sincere thanks for your kind cooperation and valued support to MCC Transport.

MCC Transport is an Intra-Asia carrier delivering containerized cargo through an extensive feeder network and a customer-focused team of professionals. We provide customers with direct services characterized by fast transit times and multiple weekly sailings to key Intra-Asian ports, coupled with a swift documentation process, and all at a competitive price level.

In order to improve our internal coverage to support customers and offer the best services to our customers with quicker resolution time, we would like to advise that, with effective from 1st February, 2012, our seal release procedure will be revised as follows.

Instead of taking seal from our counter, you can now take seal directly from our depot when you take delivery of your empty container. The depots that you can take seal from are Teng Lay and Tec Srun. In case your empty depot is assigned to Union depot please take seal from Teng Lay depot.

The seal release at Sihanoukville will be the same in that you can take seal from our Sihanoukville office.

Should you have any further queries, please contact your local MCC Transport representative.

We thank you for your ongoing and valuable support. MCC Transport will continue to deliver service excellence, connecting you with your customers across the region.

Thank You.

Yours faithfully,

MCC Transport Singapore Pte Ltd
