

## Letter of Certificate & Indemnity

To whom it may concern / A.P.Moeller – Maersk Line / MCC Transport

Dear Sirs & Madams,

We as shipper, hereby certify that:

- our used motor vehicles/used motorcycles/used construction machinery and other used machinery shipment are WITHOUT FUEL and BATTERY DISCONNECTED and all remaining fuel has been removed.
- our cargo were stuffed in the container(s) in the proper manner or oil leakage prevention that the entire floor and sides are covered/protected with vinyl and/or tarpaulin sheets, then the plywood thicker than 5 mm are placed on both floor and along side panels, with floor covered with sufficient sawdust to absorb oil leakage.
- refueling machine, equipment, and any substance other than IMDG regulation that may cause explosion or fire are not contained in the container(s).

We hereby undertake and agree to pay the claim amount arise on the said shipment and/or the cost of any consequent reconditioning. We will guarantee to indemnity yourselves and/or the owners of the vessel against all consequences that may arise from your action or negligence and hold you harmless in respect of liability, loss and/or damage whatsoever you may sustain in case of any oil leakage.
