a _____ corporation having its principal office at _____ (“Registered User”).

1 Use of the Document Printing Facility

- 1.1 The MCC Electronic Document Printing Facility is a Protected Service, and the terms below are a set of Special Terms, as defined by the MCC Registered User Terms. The terms below should be read in conjunction with the Registered User Terms, which are available at www.mcc.com.sg.
- 1.2 MCC will use reasonable efforts to make available to the Registered User, at www.mcc.com.sg, by email or otherwise in electronic form, data for printing waybills and / or bills of lading at the Registered User’s printer (**‘Document Printing Facility’**) in accordance with the procedures from time to time in use by MCC.

2 Printing

- 2.1 When electronic data is made available to print a waybill or bill of lading, MCC will notify the Individual User who at that time is shown in MCC’s records as being entitled to print it. The Registered User shall ensure that:
- 2.1.1 the electronic data provided by MCC is not altered or used except as provided for in this Agreement.
- 2.1.2 it is printed at the Registered User’s printer as soon as reasonably practicable, but no later than 21 (twenty one) days after the bill has been issued and you have been notified by us:
- (a) in the case of a waybill, onto good quality plain white paper;
- (b) in the case of a bill of lading, onto a blank MCC bill of lading form.
- Delay in printing may prejudice MCC’s position in relation to third parties.
- 2.1.3 any waybill or bill of lading once printed:
- (i) is legible, showing the complete contents of the document without distortion or addition in correctly centred portrait orientation, and is appropriately aligned and set out for the relevant paper size;
- (ii) accurately and fully reflects the relevant waybill or bill of lading appearing in electronic form at www.mcc.com.sg.
- 2.2 If any document which is printed (whether or not in full) pursuant to the Document Facility does not comply with any part of clause 2.1.3 above, or if any electronic data is made available to the Registered User in error, the Registered User shall immediately contact MCC and comply with MCC’s instructions in relation thereto. If there is any inconsistency between a waybill or bill of lading that is printed and the one appearing in electronic form at www.mcc.com.sg, the latter shall prevail.

- 2.3 If MCC provides blank bill of lading forms pursuant to this Agreement, the Registered User shall ensure that:
- 2.3.1 Individual Users only print onto such forms electronic data which they have received pursuant to this Agreement and which they are authorised by the procedures from time to time in use by MCC to print;

If for technical reasons (for example, difficulties in printing) more attempts to print are required, the express prior written authority of MCC must be obtained. This will be at MCC's absolute discretion, which in any event will be conditional on (i) MCC receiving a letter of indemnity, signed by the Registered User, in the terms of Appendix A and (ii) any paper document which is to be replaced pursuant to such authority having first been destroyed.

- 3.2 If requested by the Registered User, MCC may at its sole discretion agree to make available to another registered user ("the Nominee") some or all of the data which it provides pursuant to this Agreement. This will be at the Registered User's sole risk and responsibility, and any blank waybill or bill of lading forms required by the Nominee will be provided by MCC, not by the Registered User.
- 3.3 The Registered User shall indemnify and hold harmless MCC and its affiliates, associates and agents against any claims, losses, actions, proceedings, damage or liabilities whatsoever (including damages or compensation paid by them to compromise or settle a claim) and all legal costs or other expenses, suffered by them as a result of:
