Search Schedule

Search Schedules

How can I search for a schedule?

1. All MCC schedules can be searched in the main page

Schedules

From Port:

To Port:

Date: Cut-off time at load port ETA at destination port

2. Enter the From Port. Key in the first few letters of the port and it will be auto-filtered. Click on the port or press Enter

From Port:

To Port:

(TIP: You can also search by UNLOC!)

3. Do the same for To Port:
4. Click to show the schedules for the ports you have specified as shown

Search Schedules

Showing 1-5 of 8 records. Order By: Gate-in class
