We would like to announce the exemption period for freetime count in Japanese ports during end/new year period 2016-2017. Please also note that vessel schedules might be changed, and there are possibilities of limited gate service availability, requirements of prior bookings, or extra charges during the period which will impact containers' gate in and out.

Exemption Period: From 30th Dec 2016 to 04th Jan 2017

- All days including Sat/Sun/National holidays and above mentioned period will be counted for containers already out of freetime period.
- Special exemption period is applicable to import demurrage, import detention, and export detention. For export demurrage exceptions, please find below table for CY open/cut and SI cut dates for each vessel and port combination.

Should you have questions or require any assistance with this information, please contact

MCC customer service desk.
